Objective

Enthusiastic Full Stack Developer skilled in the MERN stack, eager to contribute to innovative web solutions. Seeking an opportunity to enhance skills and deliver impactful projects in a dynamic organization.

Skills

- Programming Languages: C++, Core java, JavaScript
- Web Technologies: HTML5, CSS3, React JS, Node JS, Express JS, Next JS
- Database Management: MongoDB, SQL
- Version Control System: Git, GitHub
- Soft Skills: Critical thinking, Data-driven decision making, Project ownership

Education

- Pursuing Bachelor of Technology in Information and Technology [IIST],[Indore, Madhya Pradesh]
- Expected Graduation: [2025]
- Higher Secondary Education from (GHSS Pachore) with 91% [2021]
- High Secondary Education from (GHSS Pachore) with 90% [2019]

Projects

PayFlow Subscriptions

- Developed a plan-based subscription application using Next.js 14, enabling users to subscribe to categorized plans with dynamic pricing.
- Integrated Razorpay for secure payments and implemented webhooks for real-time subscription status updates.
- Designed a responsive UI with ShadCN and managed data securely using MongoDB for efficient backend operations.

Blog App

- Developed a dynamic web-based application using Next.js 14 for seamless blog creation and management.
- Utilized MongoDB for efficient data storage and retrieval.
- Delivered a user-friendly interface with responsive design, enhancing user experience.

Voting App

- Built a secure voting application using Node.js, Express.js, and MongoDB with real-time voting and data management feature.

Experience

Full-Stack Developer Intern at App-Wizards Technology

July 2024 - September 2024

- Developed and optimized dynamic web applications using the MERN stack, focusing on responsive design and performance.
- Collaborated with cross-functional teams to implement features, debug issues, and deliver high-quality software solutions.
- Gained hands-on experience in RESTful APIs, database management, and deploying web applications.

Extra Curricular Activity

- CSS challenge participant in DAVV college
- Hackathon participant [Pre Kavach] [06/04/2023]
- Internal Hackathon 2024 [IIST]
- DSA (400+question) Solved

Certifications

- [Introduction to Web Development with HTML5,CSS3 and JS],[IBM] [March 2024]
- [SQL and Relational Databases], [Cognitive Class], [June 2023]
- [MATLAB Onramp], [MathWorks], [March 2023]
